Services We Offer

Maintenance

Repairs

Upfittings

Detailing

Experienced Fleet Focus

-  Our first and longest-served customers are midsized fleets, with several large government fleet contracts served currently.
-  Dedicated support staff for sourcing parts with the most challenging specs, as well as vehicle pick-ups and deliveries.
-  Prioritized workflow logistics to minimize “in-shop” time and to provide the fastest turn-around of services possible.

Service You Can Trust

-  Nationwide 3-year/36,000-mile warranty for most services.
-  Comprehensive service documentation with pictures (*Average 40+ pictures per vehicle*), and technician notes.
-  Multi-level QC process almost eliminates comeback and warranty concerns (*has not exceeded 3% in the last 5 years*).

About Us

Long Arm Mechanics is a full-service vehicle and light & medium duty repair shop providing high quality and efficient service through our digital workflow and industry leading processes.
